Rev. John B. Sekinger, formerly of this city, who has been connected with the Cathedral of the Immaculate Conception in Portland during the past two years or more, has been appointed pastor of the Catholic church at South Berwick. Father Sekinger has labored zealously in Portland, and his many friends wish him every success in his new parish.

The contract to construct for the Piscataquis Pulp and Paper Company, twelve water flumes, twenty-four feet long, eight feet in diameter, with a quarter turn at one end, and twenty-four others, eight feet long and four feet in diameter, has been awarded the Penobscot River Boiler Works, of this city, and they will be begun on very soon.

Much has been added to the attractiveness of the Y. M. C. A. rooms during the past month by the Flower Committee of the Ladies' Auxiliary. Mrs. Helen French and Mrs. A. K. Dole are serving during the months of June and July, and it is to them particularly that the Association is indebted for the choice flowers for the past few weeks.

The park at the junction of Hammon and Cedar streets, in front of the Hayford residence, has been opened to the public and the openings in the fence have been enlarged so that baby carriages can enter. The place will prove very convenient and pleasant for the residents in that vicinity. It was but a short time ago that a petition was put into the City Government to have the park opened for the use of the public.

There was a large audience in City Hall yesterday afternoon at the Reform Club meeting. President Stiles conducted the meeting. Short speeches were made by several members of the Club and Crusade, but the feature of the meeting was the singing of the Boston Ideal Jubilee Singers, under the management of J. O. Crosswhite. They sang several selections in fine manner and were recalled by the audience. This is the finest troupe of this kind which has sung here for years.

Those who wish to go to Bar Harbor "The Bluffs" Saturday night and return on Monday can now do so over the Maine Central for the rate of \$3.00 for the round trip to Bar Harbor, and \$1.75 to "The Bluffs." The tickets are good for all trains on Saturday, but on the vestibule \$1.00 is charged for a seat. The return on Monday can be made on either the morning train or the Flying Yankee. Many are now taking advantage of these rates to go to these fine resorts.

Mr. Walter E. Palmer returned Friday night from the East Branch drive, where he has been for some time overseeing operations. Mr. Palmer reports that there are twenty millions in the drive, and there have been one hundred men employed. He says that the drive will have to hang up, but that it will probably be into the main river to-night. The water has been low, and has retarded the drive, but fair progress has been made and it is expected to come along all right.

Quite a commotion was made at the Works on Friday over the discovery of a box containing the dead body of an infant in a mill pond. The body which was considerably bruised and the head crushed in on one side. Physicians called and made an examination of the body. They thought it was about three days old and that the child had been murdered. Officers were at work on Saturday for a clue to the murderers, but none has as yet developed.

Week before last's foreign exports from this port were valued at \$3,308,000 and were as follows: 216,984 feet white shipping lumber, 4,047 feet spruce and 90,000 cedar shingles to Grenada, and 7,412 feet white pine boards, 10 poles, 72 boat oars and 60,000 cedar poles to Grand Turk, Turk's Island, a brig Fidelia; 578 tons ice, 62,515 feet pine lumber, 150,000 spruce shingle, 166 spruce poles and spars to Nassau, P., by schooner M. V. B. Chase. There were imported 80 tons of plaster to Chevarie, N. S., to Morse & Co.

IT WAS APPRECIATED. A new and interesting feature especially to the cans, of the Fourth of July, at St. was the playing of the City Cornet at the concert in King Square, consisting of a programme entirely made of United States music. The wind selection was "Yankee Doodle," the concert in the Square a suppartaken of by the band in Hotel T and then another concert of the kind of music was given in front of hotel. That the music was greatly elated by the American guests in the goes without saying, and it was a ful and pleasing compliment.

We have received the premium list of the twenty-fifth annual fair of the New England Agricultural Society, to be held in connection with the Worcester Agricultural Society, at Worcester, Mass., September 4th, 5th, 6th and 7th.

We have received from the publishers, Chisholm Brothers, Portland, a copy of Chisholm's Mount Desert Guide Book, a handsomely printed book of 106 pages, richly illustrated and containing a map of Mount Desert Island. It contains much valuable information concerning the various places of interest in and around Bar Harbor, and is written by M. F. Sweetser, author of Ticknor's American Guide Books, etc.

YOUNG MEN'S REPUBLICAN CLUB.
Some of the young men of this city, who are not yet voters, but who believe in Republican principles, are to form a Young Men's Republican Club, and a meeting will be held some time this week at which time the organization will be perfected by the adoption of the constitution and by-laws, the election of officers, etc. The club will be uniformed and will take part in the processions attendant upon the campaign. The young men, who show by their action that they are in the right path, will be welcomed to the ranks of the older campaigners, and when the time comes will undoubtedly cast their votes as they should. Those between fifteen and twenty-one years of age who wish to become members of the club should address but No. 1587 before next Wednesday.

STEAMER BAR HARBOR. Stearn was got up on the new steamer Bar Harbor on Friday, and her machinery was worked for some time to see that everything was in good order, and in the right place, and capable of acting when called upon. On Saturday the steamer was given a short trip down river, with President Laughton, General Manager Barbour, and Passenger Agent Pullen on board. All were much pleased with the manner in which she behaved. She makes a fine appearance upon the water, being of an attractive model and speedy. She is elegantly fitted up inside, and will accommodate a large number of passengers. The trial trip was probably be made on next Thursday when the steamer will take the stockholders to Isleboro, where a fine dinner can had. It "Johnson's-by-the-Sea" will return will be made late in the afternoon. After the trial trip she will go on the route between this city and Bar Harbor, and will undoubtedly prove very popular with the travelling public.

THE MAGAGUADAVIC BRIDGE.
A thorough examination has been made of the Magaguadavic river bridge, the scene of the late accident on the New Brunswick Railway. From the examination it appears that the fall of the bridge was caused by the wing of the snow plough striking iron trusses. Mr. Adams, agent of Dominion Bridge Company, who arrived in St. John Thursday night, left Friday morning for the purpose of taking down the remnant of the bridge. The plough was, Friday morning, raised, and it was examined and the only damage done it found to be a broken wing. A pile has been built across the river. Investigation has been ordered into the matter, for the purpose of ascertaining if the wing of the plough got unsafe, which as yet has not been explained.

THE BANGOR OPERA COMPANY.
The members of the Bangor Opera Company returned to this city yesterday after from Rockland on the steamer Katahdin after a trip of three weeks and two days through the State and in the Province were given, at Winterport, Old Dover, Bangor, Skowhegan, Farmington, Augusta, Richmond, Houlton, Rockfield, Presque Isle, Woodstock, N. B. (twice), Bastrop, Winn, Ellsworth Harbor, Belfast and Rockland. At every place the company was greeted by a large and enthusiastic audience, and bestowed liberal applause upon the performances. The success of the tour was not only due to the talent of the members, but also to the excellent management of Mr. F. A. Owen, and the faithful playing and leading of Mr. F. Bennett. The trip throughout was pleasant one and the weather during of the time was all that could have desired. The performance at Rockland Saturday night closed the present tour of the company. Mr. and Mrs. E. M. Chester and Mr. George Ireland returned to Boston to-day on the steamer Penikese. Their services have been much appreciated while with the company.

SOUTH WEST HARBOR. Southwest Harbor is making steady advancement this growth, free from anything but on a boom, is of a permanent character. Since last season a large amount of work has been in progress, and in a twenty new cottages have been commenced. Most conspicuous among these is the cottage built by Mrs. Abby Long, of Ellsworth, and to be occupied this season by New York parties in importance to the resort. Interests in the granite and fishing industries are now in a very improving condition. The quarries in vicinity of Somes' Sound employ at about 350 men. Fifty skilled laborers arrived a short time ago working in the quarries. They are boarding house of the owner, and themselves, and are under a boss owner.

EVERY NIGHT I SCRATCHED
Until the skin was raw. Body covered with scales like spots of moths. Then I tried the Cuticura Remedy.

I am going to call you the "cure" that changed your Cystitis. I have had a perfect cure. About the 1st of April last I had a red pimple-like swelling which was very painful. I thought nothing of it until some time later when it began to feel like a splinter of mortar as it rubbed against my pants. It felt very, very sore.

or, and when I would scratch every night with bedbugs I would scratch every night was raw, then the next night the scales formed meanwhile were scratched off again. Did I consult all the doctors in the country without effect. After giving up all hopes of recovery, I happened to see an advertisement in a newspaper about a cure for the disease. I purchased the pills from my drugstore, and after
